**Do you feel that the SLS Services Team provides the services, resources and assistance you need to perform your role at the district/school?**

**Please use the space below for additional comment**

Very happy with our SLS team and services.

I am always amazed at how quickly my questions are answered, and if Alicia does not know the answer, she helps me get it! The "customer service" is excellent! You guys rock!

The team is always very helpful and very prompt in their response.

**Does your district participate in the Library Automation CoSer?**

Thank you SLS team. Congratulations and good luck to Kathy! I look forward to my role as Comm Coordinator again next year. :)

I really wish we would get a CoSer for OverDrive.

Thank you for asking about the current status of the library program at my school. Without and aide and being split between two buildings, I have become increasingly limited in what I can accomplish. It is sad that the children are not receiving the support that they ask for (and deserve) and it is frustrating that very few people even realize the impact that the budget cuts have had on the library program.
